WPS Fairplay Code for Parents and Players

Respect is one of our key values at Waitakere Primary School and we expect both students and families to demonstrate this value throughout the basketball season. Our coaches and managers are volunteers who give up their time to coach your child and deserve the utmost respect at all times.

Players will:

- listen to and follow instructions from your coach, manager and referee at all times
- support and thank the coaches, managers, umpires and other volunteers who give their time to help you with basketball
- help when asked by a coach or official or manager
- treat all of your opponents with respect
- play with a positive attitude and demonstrate the 'Waitakere Way' both on and off the court
- encourage and motivate your teammates with positive words only

Parents and supporters will:

- encourage your child to play within the rules and respect officials' and coaches' decisions
- teach your child to respect the efforts of their opponents
- remember that children learn best by example so you will applaud good plays/performances by both your child's team and their opponents
- give positive comments that motivate and encourage continued effort
- support and thank the coaches, managers and other volunteers who give their time to conduct the event for your child
- help when asked by a coach or manager
- respect the rights, dignity and worth of all people involved in the game, regardless of their gender, ability or cultural background
- show respect in the way you act and communicate at all times

I _____ (student name) agree to treat all players, managers and coaches with respect this season. _____(student signature)

I _____ (parent name) agree to treat all players, managers and coaches with respect this season. _____(parent signature)

If the above points are not followed at any point this season, this will affect your child's chances to play basketball this season.

Please see Andrea Nicol, or email her to arrange a time to meet if you have any queries or concerns this season
