- New Zealand Passport

OR

- New Zealand Residency

For International Students please bring:

- Current Passport

AND

- Current NZ Visa's & Permits

ENROLMENT QUESTIONNAIRE FOR WAITAKERE PRIMARY

Home Zone

The Education Act gives a guarantee of enrolment to students who live in the home zone specified in the school's enrolment scheme. The board needs to be sure that an in-zone address is genuine, because it is required to manage the enrolment scheme for the benefit of local students.

In addition to specific documents showing proof of residence, it will assist the board if you complete the following questionnaire. (*Documentation Waitakere Primary School would like to view at time of enrolment will be, birth certificate, immunisation, proof of address -two power or telecom bills.*)

Student's Name _____

1. What pre-school/school are you currently attending (if any)? _____
2. What is the address that will be the usual place of residence _____

If the student will be living with the parent's/caregiver/guardian

3. Have you lived at this address for more than one year? _____
4. If yes to question 3 above, is this your only residential address _____
5. If no to question 3, state your other address _____

The address given at the time of application for enrolment must be the student's usual place of residence when the school is open for instruction. This means that if you currently live at an in-zone address but move to an out-of-zone address before your child's first day of attendance at the school, your child will not be entitled to enrol at the school. The Ministry of Education has advised that parents should also be warned of the possible consequences of deliberately attempting to gain unfair priority in enrolment by knowingly giving a false address or making an in-zone living arrangement which they intend to be only temporary, e.g. renting accommodation in-zone on a short-term basis; arranging temporary board in-zone with a relative or family friend; using the in-zone address of a relative or friend as an "address of convenience", with no intention to live there on an ongoing basis. If any issues arise from the above information, the board may wish to interview you, to ensure the genuineness of the application.

If your application for enrolment is declined, you may appeal the board's decision by asking the Ministry of Education to direct the board to enrol the student. Application forms are available from the Ministry's local office.

I confirm that the address above, which I have provided to the school will be the usual place of residence of _____ (*student's name*) when the school is open for instruction. I will advise the school of any subsequent change of address.

Signature: _____ Dated: _____

Name (*please print*) _____

An enrolment will not be accepted until it has been confirmed with the Principal and Board of Trustees.

Enrolment Scheme Home Zone

All students who live within the home zone described below, and as shown on the attached map, shall be entitled to enrol at the school. Proof of address within the home zone must be sighted by the school.

Starting at the West Coast at a point south of Constable Road, the zone travels north-east to the southern end of Muriwai Valley Road (excluded), and continues east across country to join Annandale Road at numbers 218/230.

It then travels south-east across country to meet at the intersection of Cuthbert and Hunter Road, and continues down the centre of Hunter Road.

Cross Waitakere Road, at numbers 220/231 (included), the zone moves across country, to meet and include all of Haszard Road. (Amreins Road from 117 and 110 south included).

From Haszard Road the zone follows Sunnyvale Road south and west, and continues along McEntee Road (Kay Road excluded) to turn south down Northfield Road, (Burnham Road included). It then travels across country to meet Scenic Drive, (numbers 1051/1056 to 851/880 included), so as to include all of Kitewaho Road, and continue to the Tram Valley Stream. Following the stream west the zone crosses to the West Coast and returns to the starting point.

All residential addresses on both sides of boundary roads and no exit roads off boundary roads are included in the zone unless otherwise stated.

Out of Zone Enrolments

Each year the Board of Trustees will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The Board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolments will be processed in the following order of priority:

- | | |
|------------------------|---|
| First Priority | will be given to students who have been accepted for enrolment the following special programme(s). <i>This priority is not applicable at this school because the school does not yet run a special programme approved by the Secretary for Education.</i> |
| Second Priority | will be given to applicants who are siblings of current students. |
| Third Priority | will be given to applicants who are siblings of former students. |
| Fourth Priority | will be given to any applicant who is a child of a former student of the school. |
| Fifth Priority | will be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school. |
| Sixth Priority | will be given to all other applicants. |

If there are more applicants in the second, third, fourth or fifth priority groups than there are places available, selection within the priority group will be by ballot conducted in accordance with instructions by the Secretary under Section 11G(1) on the Education Act 1989. Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

Applicants seeking second or third priority status will require to give proof of a sibling relationship.

Waitemata
District Health Board
Te Wai Awhina

Parent/guardian: Please return this completed form to the school office

SCHOOL VISION AND HEARING TESTING

Waitemata District Health Board provides free vision and hearing screening for children. This screening is carried out by Vision and Hearing Technicians who visit schools and provide Vision and Hearing clinics in various community locations.

VISION TEST:

Distance vision. A letter matching (or letter identifying) test determines whether the child can see what is expected at 4 meters distance.

HEARING TEST:

Audiometry. An audiometer is used to measure hearing. The child wears headphones, and drops a peg/bead into a basket every time a sound is heard.

Tympanometry. If the child does not seem to hear all the sounds with the audiometer test, tympanometry is used to show whether there may be 'glue ear' or some other blockage in the hearing system. A soft rubber cap seals the opening of the ear and a measurement is made of how well the ear drum reacts to sound and changes of air pressure.

Parents/caregivers will be informed of all results (including any problems identified).

If your child does not pass a vision or hearing screening test, you will receive a letter suggesting what to do, including recommended follow up.
